Can I purchase this course for a group of sailors at my club?

Yes, we have an annual club plan that is available for certain groups of sailors. The club chooses how many licenses they want and then receives a batch of user names and passwords at a discounted rate. The club can give these to its members as it wants. To find out more details and whether your group of sailors is eligible for this plan, send us an email.

Do you offer a money-back guarantee?

Yes. We hope and expect that you will like and learn from LTRR 2020. If you are unhappy with the course, we will give you a full refund.

How long does my subscription to LTRR 2020 last?

Individual licenses are valid for the duration of the current rulebook – through December 31, 2020. During that time you can view and review the material as often as you like. The club plan group licenses are good for one calendar year and must be renewed after that.

How long is the LTRR 2020 course?

If you watch through all segments of the course without pausing or taking any knowledge checks or tests, it will take you about two and a half hours to get through the course. We have divided the material into six modules covering various parts of the rulebook, and each module is broken down into many smaller sections.

What material is covered in the LTRR 2020 course?

The course essentially covers all the right-of-way rules in the 2017-2020 Racing Rules of Sailing. These include the Basic Right-of-Way Rules (rule 10-13), General Limitations (rules 14-17), Mark-Room (rule 18), Room to Pass an Obstruction (rule 19) and Room to Tack at an Obstruction (rule 20). In addition, the final module covers the rules about exoneration and penalties.
