**THE NORTH U SAN DIEGO YACHT CLUB
MATCH RACING CLINEGATTA &
US SAILING UMPIRES CLINIC
January 24-27, 2019
hosted by the San Diego Yacht Club**

Match racing is an exciting way to play and officiate the game of sailboat racing, and a great way to have some fun in the sport while dramatically increasing your sailboat racing and judging skill and knowledge. Sailors who match race do better when they fleet race, whether driving or crewing; and umpiring dramatically improves your rules knowledge and speed of decision-making and understanding of the game.

NOTICE OF CLINIC

The Clinic will be coached by five-time National Match Racing Champion Dave Perry, author of the *North U Match Racing Playbook*, and frequent coach at San Diego YC match racing clinics. The clinic will cover the tactics and strategies needed to be competitive and successful in Match Racing, and will focus on the boat handling and boat speed aspects of racing a J/22 well.

HOST: The San Diego Yacht Club, San Diego, California

TARGET SAILORS: The clinic is for sailors who are interested in learning more about match racing in small keelboats, and in raising their sailing skill level. No match racing or keelboat sailing experience is needed or expected.

BOATS: The boats used will be J/22's.

ENTRY FEE: The clinic fee is \$180 per skipper, \$90 per crew and \$30 per umpire, payable on registration. This includes the coaching, use of the boats, and munchies/light dinners after sailing.

TO REGISTER: go to: <https://sdyc.org/calendar/event/match-race-clinic19/>

Registration will be on a first come-first served basis until the clinic is filled. **Sailors are encouraged to register as soon as possible.**

Sailors have to register individually. If coming as a team of 3 or 4, please indicate that when registering. “Singles” will be put in teams. It is expected that sailors will try different roles on the boat during the clinic, including skipper if they wish to.
