

ACCOMMODATIONS GUIDE

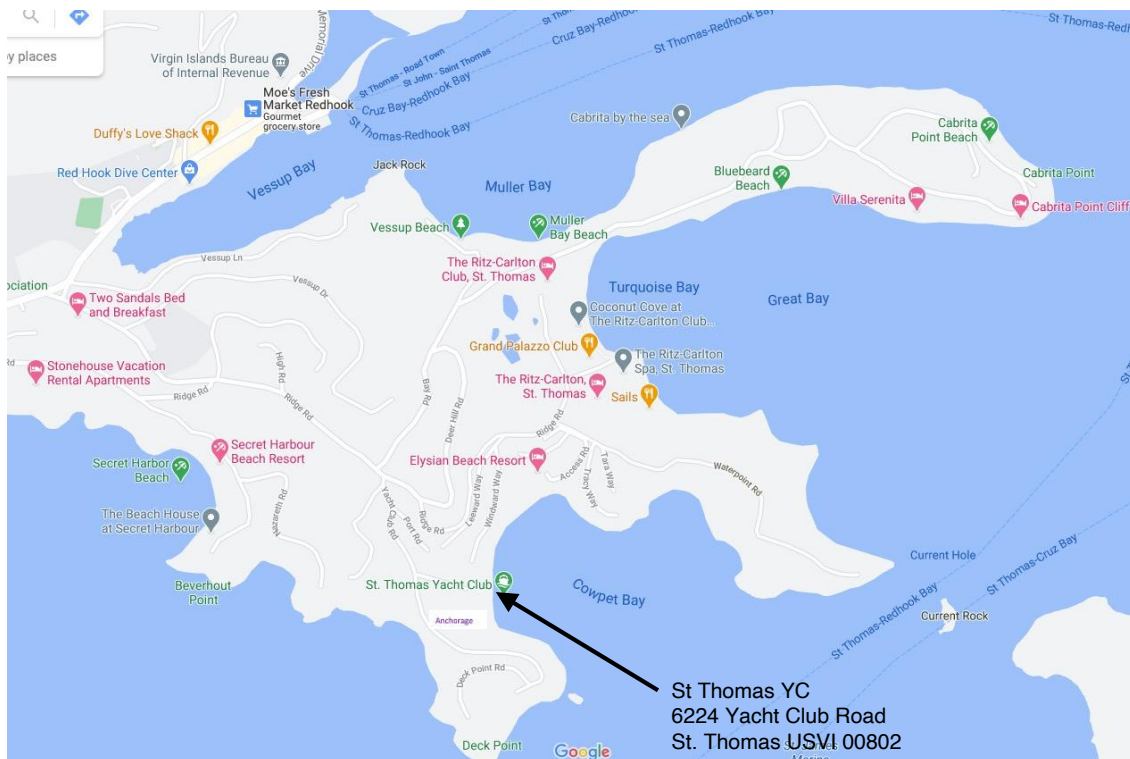

Below are villa, hotel, and condominium listings for the immediate Cowpet Bay area and nearby. Condominiums at Anchorage, Cowpet West, Elysian Resort, and Cowpet East are a short walk, 10 minutes or less, to STYC. These complexes are all on the beach; ask about pool access for Elysian and Cowpet units.

Restaurants at the Elysian and Ritz Carlton are walking distance from the club, and several more in the town of Red Hook are a 5 minute drive.

Availability on VRBO and AirBnB changes frequently, we also recommend trying your own search. Zoom into the map near Cowpet Bay, enter your dates, and begin with options within walking distance. Note that pricing often varies per number of guests.
