Why North U?

Great Programs, Top Instructors

North U has been the leader in sailing education through clinics and seminars since 1980, and working in the online webinar space since 2007.

Our programs offer the latest in sailing and racing technique in an engaging interactive format that makes the programs fun and effective.

Whether you choose North U's Director, Bill Gladstone, Dave Perry (*Have you met Dave Perry? There's only one Dave Perry*), Rules Guru David Dellenbaugh or any one of our highly-skilled [coaches](#), you'll get an expert sailor with years of teaching experience.

The programs are about your sailing, not their sea stories.

Fees

Fees vary by course type (single or series), instructor, and topic; and are referenced in the course descriptions. Please email us for specific pricing details as we offer creative club and member discounts and incentives, donations to your Junior Club, FREE co-host plans, and flat-fee options too.

Why Host a North U Seminar or Webinar?

You can spend a lifetime learning to be a better sailor. We're here to accelerate the process.

Our programs get your sailors excited about their sailing and racing. The more they learn, the better they sail and the more they enjoy their sailing. Beyond their educational value, our programs provide a welcome opportunity for your members (and prospective members) to rendezvous during the off-season, online or in person.
