You're Invited, Let's Raise Your Game!

Whatever your level, you'll leave as a more versatile racer after completing our Performance Racing Clinics.

We combine expert coaches, great boats, and refined curriculum (*did we mention we've been doing this since 1980?*) at great venues to make the most of your time.

With a coach onboard each boat you receive personal attention.

And here's the closer:

You'll learn a ton, go home a better racer and always remember the week for the fun you had.

See you on the water!

Sign up as a full crew of four or individually with North U's **Risk Free Early Registration** policy. *Covid Vaccinations required.*

A North U Coach is on every boat and attends all debrief sessions with racers
